## Пояснительная записка

Дополнительная общеобразовательная (общеразвивающая) программа «Английский язык для общих целей» предназначена для совершенствования коммуникативной компетенции взрослых учащихся в рамках тематики курса обучения и направлена на создание и обеспечение необходимых условий для личностного развития, творческого труда обучающихся и удовлетворение их образовательных потребностей и интересов.

В основе программы лежат следующие **федеральные нормативные акты**:

- Федеральный закон от 29 декабря 2012г. №273-ФЗ «Об образовании в Российской Федерации»;
- Закон Российской Федерации от 07 февраля 1992 г. № 2300-1 «О защите прав потребителей»;
- Постановление Правительства РФ от 15.04.2014 N295 (ред. от 31.03.2017) «Об утверждении государственной программы Российской Федерации “Развитие образования” на 2013 – 2020 годы;
- Порядок организации и осуществления образовательной деятельности по дополнительным профессиональным программам. Приказ МОиН РФ от 01.07.2013 №499/99;
- Порядок организации и осуществления образовательной деятельности по дополнительным общеобразовательным программам. Приказ Министерства просвещения РФ от 9 ноября 2018 г. N 196;
- Показатели, характеризующие общие критерии оценки качества условий осуществления образовательной деятельности организациями, осуществляющими образовательную деятельность по дополнительным профессиональным программам. Приказ Министерства науки и высшего образования РФ от 15 апреля 2019 г. N 31н

**Языковое содержание** программы основано на перечне речевых функций Pearson Global Scale of English <https://www.pearson.com/english/about/gse.html> и лексическом и грамматическом материале English Profile <https://www.englishprofile.org/>

**Актуальность программы** определяется содержанием обучения, покрывающем широкий круг тем для повседневного общения во всех видах речевой деятельности, от дружеской беседы до основ деловой переписки. Содержание и форма подачи учебного материала соответствует интересам и жизненному опыту взрослых учащихся. **Новизна программы** и ее отличительная особенность заключается в применении цифровых технологий и учете таких показателей, как время говорения обучающегося и преподавателя, правильность и время выполнения каждого задания,

возможности для обучающегося оценивать учебные материалы. Перечисленные показатели используются для построения индивидуальной образовательной траектории обучающихся и более полном учете их индивидуальных потребностей, возможностей и интересов. **Педагогическая целесообразность программы** обусловлена удовлетворением персональных образовательных потребностей обучающихся.

### **Цель и задачи программы**

**Цель:** развитие иноязычной коммуникативной компетенции обучающихся в совокупности ее составляющих: речевой, социокультурной, компенсаторной, учебно-познавательной и способствует решению следующих **задач**:

- речевая компетенция – развитие коммуникативных умений в четырех основных видах речевой деятельности (говорении, аудировании, чтении и письме);
- языковая компетенция – овладение новыми языковыми средствами (фонетическими, орфографическими, лексическими, грамматическими) в соответствии с темами и ситуациями общения; освоение знаний о языковых явлениях изучаемого языка, разных способах выражения мысли в родном и иностранном языках;
- социокультурная/межкультурная компетенция – приобщение к культуре, традициям, реалиям стран/страны изучаемого языка в рамках тем, сфер и ситуаций общения, отвечающих опыту, интересам, психологическим особенностям слушателей; формирование умения представлять свою страну, ее культуру в условиях межкультурного общения;
- компенсаторная компетенция – развитие умений выходить из положения в условиях дефицита языковых средств при получении и передаче информации;
- учебно-познавательная компетенция – дальнейшее развитие общих и специальных учебных умений, универсальных способов деятельности; ознакомление с доступными слушателям способами и приемами самостоятельного изучения языков и культур, в том числе с использованием информационных коммуникационных технологий.
- формирование у слушателей потребности изучения иностранных языков и овладения ими как средством общения, познания, самореализации и социальной адаптации в поликультурном полиэтническом мире в условиях глобализации на основе осознания важности изучения иностранного языка и родного языка как средства общения и познания в современном мире.

**Форма обучения** – заочная (дистанционная) на платформе Vimbox.

Программа рассчитана на **196 часов** (час равен 50 минутам) аудиторной работы с преподавателем и состоит из трех модулей: модуля Pre-Intermediate (62 часа), Intermediate (67 часов) и Upper-intermediate (67 часов). Ученики также имеют возможность по собственному желанию выполнять дополнительные упражнения с автоматической проверкой ответа, но эти упражнения не являются обязательными, не входят в аудиторные часы занятий и могут выполняться учеником в свободное время в качестве дополнительной тренировки.

**Характер занятий:** все занятия носят практический характер.

**Режим занятий** формируется по индивидуальному плану обучающегося.

**Планируемые результаты:**

В результате освоения программы обучающиеся научатся *в пределах тематики программы:*

- воспринимать на слух монологическую и диалогическую речь носителей языка естественного темпа с общим пониманием, пониманием запрашиваемой информации;
- читать тексты различных жанров с общим пониманием, пониманием запрашиваемой информации;
- писать короткие функциональные тексты (записки, личные, деловые письма) и эссе;
- в плане устной монологической и диалогической речи запрашивать и сообщать информацию, аргументированно высказывать точку зрения с учетом социокультурного контекста ситуации общения, делать публичные объявления, представлять себя и свою страну на изучаемом языке;
- познакомиться с особенностями культуры стран изучаемого языка, необходимыми для успешной межкультурной коммуникации.

**Контроль** в каждом модуле осуществляется в виде: текущего контроля (данные системы о результатах выполнения каждого упражнения урока), промежуточного контроля (мини-теста после каждых 2 уроков, контрольного урока Revise and Check в конце каждого тематического раздела) и итогового контроля – итогового теста. Результат итогового теста представлен в баллах (100 максимально) или соответствующим буквенным значениям (A, B, C). Итоговое оценивание производится методом портфолио на основе итоговых тестов за каждый модуль.

### Материально-техническое обеспечение программы:
